Reciprocal circulation pattern of SARS-CoV-2 and influenza viruses during the influenza seasons 2019/2020 and 2020/2021 in the Bavarian Influenza Sentinel (Germany) – CORRIGENDUM. *Epidemiology and Infection* **150**, e24, 1–1. <https://doi.org/10.1017/S0950268821002466>

Reciprocal circulation pattern of SARS-CoV-2 and influenza viruses during the influenza seasons 2019/2020 and 2020/2021 in the Bavarian Influenza Sentinel (Germany) – CORRIGENDUM

Susanne Heinzinger¹, Ute Eberle², Hildegard Angermeier¹, Jennifer Flechsler², Regina Konrad¹, Alexandra Dangel¹, Carola Berger¹, Annika Sprenger¹, Sabrina Hepner¹, Barbara Biere³, Bernhard Liebl^{4,5}, Nikolaus Ackermann² and Andreas Sing^{1,4,5}

¹Department of Public Health Microbiology, Bavarian Health and Food Safety Authority, Oberschleißheim, Germany; ²Department of Virology, Bavarian Health and Food Safety Authority, Oberschleißheim, Germany; ³National Reference Center for Influenza, Robert Koch Institute, Berlin, Germany State Institute of Public Health; ⁴Bavarian Health and Food Safety Authority, Oberschleißheim, Germany and ⁵Ludwig Maximilians-Universität, Munich, Germany

The original version of this article was published with two of the author affiliations listed in the incorrect order and subsequently three authors were listed with institutions incorrectly assigned to them.

The transposed institutions were ‘National Reference Center for Influenza, Robert Koch Institute, Berlin, Germany State Institute of Public Health’ and ‘Bavarian Health and Food Safety Authority, Oberschleißheim, Germany’.

The affected authors are listed with their correct affiliations below

Barbara Biere: National Reference Center for Influenza, Robert Koch Institute, Berlin, Germany

Bernhard Liebl: State Institute of Public Health, Bavarian Health and Food Safety Authority, Oberschleißheim, Germany; Ludwig Maximilians-Universität, Munich, Germany

Andreas Sing: Department of Public Health Microbiology, Bavarian Health and Food Safety Authority, Oberschleißheim, Germany; State Institute of Public Health, Bavarian Health and Food Safety Authority, Oberschleißheim, Germany; Ludwig Maximilians-Universität, Munich, Germany

The original version of the article has now been corrected.
