VCPA: genomic variant calling pipeline and data management tool for Alzheimer's Disease Sequencing Project

Yuk Yee Leung, Otto Valladares, Yi-Fan Chou, Han-Jen Lin, Amanda B. Kuzma, Laura Cantwell, Liming Qu, Prabhakaran Gangadharan, Alzheimer's Disease Sequencing Project (ADSP), William J. Salerno, Gerard D. Schellenberg and Li-San Wang

Bioinformatics, https://doi.org/10.1093/bioinformatics/bty894

In the supplementary material, the phrase "The pairwise variant discordance rate" has been changed to "The pairwise variant concordance rate".

The updated supplementary file is now available online.
