Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-021-22720-0>, published online 30 April 2021.

In this Article there was an error in the Author contribution statement. The final sentence of the statement ‘The last two authors (D.-C. L. and B.P.B.) are co-senior authors who jointly supervised the work, and they have the right to list their names last in their CV.’ was omitted.

This has been corrected in the pdf and HTML versions of the Article.
