Correction to: Lentinan inhibits tumor angiogenesis via interferon γ and in a T cell independent manner

Shengming Deng^{1†}, Guoxi Zhang^{2†}, Jiajie Kuai¹, Peng Fan¹, Xuexiang Wang¹, Pei Zhou¹, Dan Yang³, Xichen Zheng¹, Xiaomei Liu¹, Qunli Wu^{3*} and Yuhui Huang^{1*}

Correction to: *J Exp Clin Cancer Res* 37, 260 (2018)

<https://doi.org/10.1186/s13046-018-0932-y>

Following publication of the original article [1], the authors identified minor errors in Fig. 5; specifically, in Fig. 5c, the label ‘Tumor free (%)’ was used. The correct label is ‘Tumor-bearing mice (%)’. The corrected figure is provided here; the figure caption has been corrected to reflect the same.

In addition, the Competing Interests section of the article has been corrected as follows:

Competing interests

Guoxi Zhang is an employee of Nanjing Luye Pharmaceutical Co., Ltd (Nanjing, China) and provided the main research subject (Lentinan) of the study. The other authors declare that they have no competing interests.

The correction does not have any effect on the results or conclusions of the paper. The original article has been corrected.
