Unfortunately, Grant information has been missed out in the Data availability section of the original article. The corrected Data availability is provided below.

Data availability

The raw and processed sequencing data reported in this paper have been deposited in NCBI's Gene Expression Omnibus and are accessible through GEO: GSE172392 (<https://www.ncbi.nlm.nih.gov/geo/query/acc.cgi?acc=GSE172392>).

The online version of the original article can be found under Mol. Cells 2021; 44(11): 805-829.
