## Retraction

The authors are retracting this article [1] after an investigation by the Ethics Committee of the Fourth Military Medical University (Xi'an, Shaanxi, China) of the following concerns that had been raised with respect to two of the figures:

Figure 1C, upper panel: areas of the image labelled as “Mock” and of that shown as “Scramble” are duplicated.

Figure 1D: the image labelled as “Scramble, 24 h” and that shown as “siNFAT5, 48 h” are duplicated.

Figure 3A: areas of the image labelled as “Invaded, siCtrl” and that shown as “Before Scraping, siS100A4” are duplicated.
