In the original article, there was an error in one of the grants numbers in the Acknowledgments section. The correct number for the Researchers Supporting Project, King Saud University is (RSP-2020/134). Furthermore, the authors would like to remove the grant number NO (RGP-271). The revised Acknowledgments section appears below.

The authors are very thankful to their respective institutes for providing research facilities. The authors would like to extend their sincere appreciation to the researchers supporting project number (RSP-2020/134), King Saud University, Riyadh, Saudi Arabia.

The authors would like to state that this does not change the scientific conclusions of the article in any way. The original article has been updated.
