The publisher regrets that the photo and biosketch of Prof. Günter Allmaier were missing from the original version of this article. The photo and biosketch are given below and the original article was corrected.

Günter Allmaier is Full Professor of Analytical Chemistry heading the research group Bio- and Polymer Analysis at the research division Instrumental Analytical Chemistry of Institute of Chemical Technologies and Analytics (TU Wien, Vienna, Austria). Furthermore he is acting as managing director of the Institute of Chemical Technologies and Analytics. He has been working since the beginning of the 1980s in the field of mass spectrometry and analysis of bioactive compounds with emphasis on therapeutic proteins and proteomics/lipidomics. During the last 15 years he has also been engaged in the field of electrophoretic separation in the liquid and gas phase of various classes of biomolecules and nano(bio)particles.

Our sincere apologies to the authors.
