Correction to: Archives of Orthopaedic and Trauma Surgery
<https://doi.org/10.1007/s00402-021-04124-3>

The original version of this article unfortunately contained a mistake. There is a mistake in the abstract.

In abstract, second sentence of the result section should read as

63 patients were treated using the LCP fixation compared to 40 rTSAs.

The original article has been corrected.
