

CORRECTION

Correction: An Investigation on Social Representations: Inanimate Agent Can Mislead Dogs (*Canis familiaris*) in a Food Choice Task

Judit Abdai, Anna Gergely, Eszter Petró, József Topál, Ádám Miklósi

There are errors in Fig 2, “Choice of the small food quantity in Phase 1 and 3.” Please view the corrected Fig 2 here.

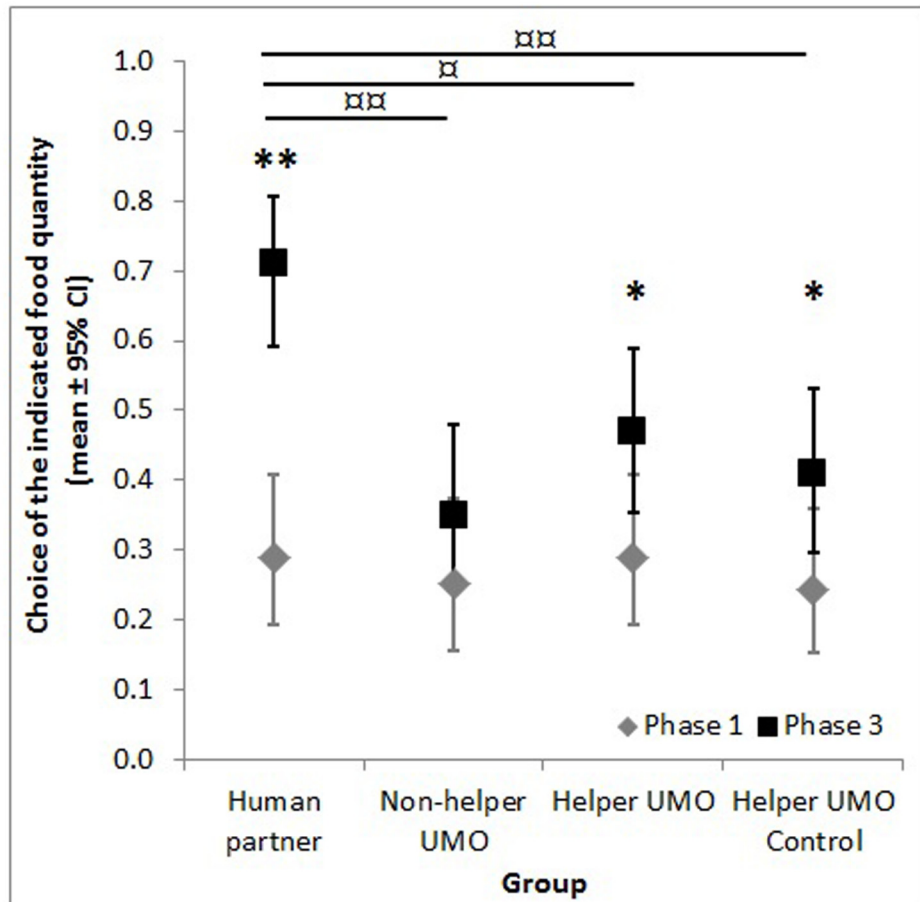

Fig 2. Choice of the small food quantity in Phase 1 and 3. Data are only from dogs who chose the larger quantity more often (Phase 1) and the partner indicated the small food quantity in Phase 3; * shows the difference between phases, □ shows the difference between groups in Phase 3 (* p<0.05, ** p<0.001, □ p<0.01, □□ p<0.001).
