

CORRIGENDUM

Corrigendum: Resveratrol inhibits matrix metalloproteinases to attenuate neuronal damage in cerebral ischemia: a molecular docking study exploring possible neuroprotection

doi:10.4103/1673-5374.278561

In the article titled “Resveratrol inhibits matrix metalloproteinases to attenuate neuronal damage in cerebral ischemia: a molecular docking study exploring possible neuroprotection”, published on pages 568–575, Issue 4, Volume 10 of *Neural Regeneration Research* (Pandey et al., 2015), Figure 1B images were provided incorrectly. The correct images of Figure 1B are shown below:
