Erratum to: *Malar J* (2016) 15:89 DOI 10.1186/s12936-016-1137-5

After publication of the original article [1], the authors found that there was an error in the first sentence of the 'Conclusions' section: "The combination of CPE with the artemisinins showed a synergistic effect both in vivo and in vitro against *P. falciparum* 3D7 and *P. berghei* NK-65, respectively."

Within this sentence, the appearance of '*P. falciparum* 3D7' and '*P. berghei* NK-65' should have been reversed. The sentence in the original article has been corrected to read as follows: "The combination of CPE with the artemisinins showed a synergistic effect both in vivo and in vitro against *P. berghei* NK-65 and *P. falciparum* 3D7, respectively."
