In the originally published version of this manuscript, several errors were noted and listed in this corrigendum.

Upon the original publication, there was an error in the title. It should read: "Participatory learning and action cycles with women's groups to prevent neonatal death in low-resource settings: A multi-country comparison of cost-effectiveness and affordability".

Upon the original publication, the results presented in [Supplementary Appendix S6](#) was omitted from the [Supplementary data](#).

Upon the original publication, the Acknowledgments omitted the following statement: "We thank Bidur Thapa of MIRA, Nepal who contributed to the acquisition of data for the work."

These have now been corrected online.
