**Correction to: *Journal of Translational Medicine* (2021) 19:471
<https://doi.org/10.1186/s12967-021-03143-3>**

Two errors were noticed after publication of the original article [1]:

2. 4 references and their citations were missing [2–5] in the Decreased cerebral blood flow (CBF) section.

The original article has been updated to correct these errors.
