Retraction Note: Assessment of the influence of whole body vibration on Cochlear function

Seyyed-Ali Moussavi-Najarkola[1], Ali Khavanin[1*], Ramazan Mirzaei[2], Mojdeh Salehnia[3] and Mehdi Akbari[4]

Retraction Note

The Editors-in-Chief are retracting this article [1] as it has already been published in *In Vitro Cellular & Developmental Biology – Animal* [2]. The authors do not agree with this retraction.
