## Correction to: *Parasites Vectors* (2020) 13:275

<https://doi.org/10.1186/s13071-020-04147-6>

Following publication of the original article [1], the authors reported two errors: one error in the caption for Fig. 2 and one in Additional file 1: Table S1.

In the caption for Fig. 2 it said ‘...dogs < 4 years’ in place of ‘... dogs  $\geq$  4 years’.

While in Additional file 1: Table S1, it said (in the first column) ‘Boise (100)’ in place of ‘Boise (105)’.

The original article [1] has been updated to correct this.

The authors apologize for any inconvenience caused.
