

CORRECTION

Correction: Stimulus Phase Locking of Cortical Oscillation for Auditory Stream Segregation in Rats

Takahiro Noda, Ryohei Kanzaki, Hirokazu Takahashi

There is an error in the second sentence of the second paragraph of the “Behavioral experiment” subsection of the Results. The correct sentence is: Statistically, the poking rate at $\Delta F = 12$ was significantly larger than those at $\Delta F = 2$ and 6 (one-way ANOVA, $F(2,9) = 4.38$, $p = 0.0470$; *post hoc* one-sided *t*-test $p = 0.0113$ and 0.0265).
