Correction to: Journal of Religion and Health (2020)

<https://doi.org/10.1007/s10943-020-01151-z>

The original version of the article was inadvertently published with the ethical code in Ethical Considerations section. This has been corrected with this erratum. The revised texts are given below:

Ethical Considerations

The present study was carried out following the approval of the Ethics Committee at Alzahra University, Iran, in 2020. All of the procedures conducted in this research with humans is consistent with the National Research Committee's ethical standards, the Helsinki Declaration of 1964 and its subsequent revisions, or equivalent ethical norms. Informed consent and participants' information sheet indicated the right for the participants to withdraw at any point of the conducted research.

The original article has been corrected.
