Cell Rep. Author manuscript; available in PMC 2021 November 22.

Published in final edited form as:

Cell Rep. 2021 February 23; 34(8): 108784. doi:10.1016/j.celrep.2021.108784.

Whole-genome characterization of lung adenocarcinomas lacking alterations in the RTK/RAS/RAF pathway

A full list of authors and affiliations appears at the end of the article.

In the originally published version of this article, the title was incorrectly listed as “Whole-genome characterization of lung adenocarcinomas lacking the RTK/RAS/RAF pathway.” It now appears correctly here and with the article online.

The production team regrets this error.
