Correction to: Tackling injustices of occupational lung disease acquired in South African mines: recent developments and ongoing challenges

Barry Kistnasamy¹, Annalee Yassi², Jessica Yu², Samuel Spiegel³, Andre Fourie¹, Stephen Barker² and Jerry M. Spiegel^{2*}

Correction

Following publication of the original article [1], the author flagged that unfortunately in endnote no. 1 it read "serving as Director General of Health", when it should be "serving as Deputy Director General of Health". As such, endnote no. 1 of the original article [1] has now been corrected to reflect this.

Author details

¹Department of Health, Johannesburg, South Africa. ²School of Population and Public Health (SPPH), University of British Columbia (UBC), 430-2206 East Mall, Vancouver, BC V6T 1Z3, Canada. ³Centre of African Studies, University of Edinburgh, Edinburgh, UK.
