## A Corrigendum on

### The Aquaporin 5 –1364A/C Promoter Polymorphism Is Associated With Cytomegalovirus Infection Risk in Kidney Transplant Recipients

By Rahmel T, Nowak H, Rump K, Koos B, Schenker P, Viebahn R, Adamzik M and Bergmann L (2019). *Front Immunol.* 10:2871. doi: 10.3389/fimmu.2019.02871

Sandra Frisenda was not included as an author in the published article. The corrected Author Contributions Statement appears below.

The authors apologize for this error and state that this does not change the scientific conclusions of the article in any way. The original article has been updated.

## AUTHOR CONTRIBUTIONS

TR, HN, PS, RV, MA, and LB: conceived and designed the research. SF, TR, HN, KR, BK, and LB: performed the experiments. KR and BK: contributed the reagents. TR, SF, PS, RV, MA, and LB: collected and provided the clinical data. TR, HN, BK, PS, MA, and LB: interpreted the data. TR, HN, MA, and LB: performed the statistical analysis. TR, HN, PS, and LB: wrote the initial draft. All authors critically revised and approved the manuscript and are accountable for the accuracy and integrity of the work.
