The authors wish to make the following corrections to this paper [1]:

1. Change in Acknowledgements

This publication was funded by COST Action “Innovative approaches in pork production with entire males”-IPEMA (CA 15215), supported by COST (European Cooperation in Science and Technology). The authors would like to thank Miriam Levenson (ILVO) and all people listed for helping with the pre-testing, translation or distribution of the questionnaire: L. Paternoster (BE), M. Frijlinck (BE), M. Lourenco (BE), O. Moreira (PT), J. Prates (PT), M. Bonneau (FR), P. Lawlor (IR), L. Doran (UK), J.E. Haugen (NO), M. Candek-Potokar (SL), M. Verhaagh (DE), D. Nakov (MK), M. Veneziani (IT) and many more colleagues and members of the Cost IPEMA network. In sweet memory and honor of Ulrike Weiler.
