The authors wish to make the following corrections to this paper [1]: The information regarding one funding source was inadvertently indicated. The following acknowledgement of funding support should be removed:

Funding: This research was funded by the National Science Centre of Poland grant number 2017/25/B/NZ7/00388 (to M.S.).

The correct funding is as below:

Funding: This research was funded by the National Science Centre of Poland grant numbers 2016/23/N/NZ5/01428 (to E.M.) and 2013/11/D/NZ7/00925 and by the National Leading Research Centre (KNOW-MMRC1) project (E.M.). J.M. was supported by Grant SAF2015-64501-R from the Spanish Ministry of Economy and Competitiveness.

This change does not affect the scientific results. The manuscript will be updated and the original version will remain online on the article webpage, with a reference to this erratum. The authors would like to apologize for any inconvenience caused to the readers by this change.
