

A case report of phosphaturic mesenchymal tumor-induced osteomalacia: Erratum

In the article, “A case report of phosphaturic mesenchymal tumor-induced osteomalacia”,^[1] which appeared in Volume 96, Issue 22 of *Medicine*, there is a mistake in the Case report section and the sentence should have appeared as:

Oral analgesics and antiosteoporosis drugs (calcitonin nasal spray 20 mg QD, calcium 600 mg PO QD, and calcitriol 0.25 mg PO QD) were given.
