The authors wish to make the following correction to their paper [1]:
We found that in the Authorship section, below the title, a mistake exists on the published page. The first author name, which is stated as “Xiaobo Meng”, should be corrected to “Xiangbao Meng”. And in the Abstract section and at the 43th line, “Ischemia and reperfusion-induced injury of or apoptosis inhibition” should be corrected to “Ischemia and reperfusion-induced injury or apoptosis inhibition”.
The changes do not affect the scientific results. The manuscript will be updated and the original will remain online on the article webpage, with a reference to this correction.
