This article has been retracted following a review by the Editorial Board. It was found to be the same case with the published article, “Daughter cysts in a cyst of the liver: hepatic echinococcosis,” by Kwon et al. [1] (*Korean J Intern Med* 2016;31:197-198). Therefore, the article by Jee [2] was decided to be retracted.

We apologize for any inconvenience that this may have caused.
