(Stem Cell Reports 2, 648–661, May 6, 2014)

The article was printed with an error in the Experimental Procedures. The gift of the antibody PLP1 was wrongly attributed to Inoue; the antibody was gifted by Masayuki Itoh (National Center of Neurology and Psychiatry, Japan). Dr. Itoh should also have been included in the Acknowledgements. The corrected article is available online. We apologize to Dr. Itoh for the omission.
