We want to thank you all for your assistance! Your review reports were valued feedback to the authors and helped us to make our editorial decisions.

Although our database of authors and reviewers steadily increases, the Editors do not always find it easy to find referees within the journal's deadlines. Therefore, we sincerely hope that all reviewers want to continue their review work in the future. We provide a format to facilitate the review.

If you would like to update your reviewer account, e.g. to specify your expertise, please visit <https://mc.manuscriptcentral.com/EJGP> and log in to modify your profile. We also invite readers of the EJGP who would like to review manuscripts for this Journal, to visit <http://mc.manuscriptcentral.com/ejgp> and to register as 'new user', i.e. to complete the details of their expertise. Thank you!

If you have comments regarding the Journal or its peer review process, we invite you to contact the Editorial Office (Ms Anneke Germeraad-Uriot, Editorial Assistant, e-mail: [ejgp-agermeraad@maastrichtuniversity.nl](mailto:ejgp-agermeraad@maastrichtuniversity.nl)).
