Correction: World Journal of Emergency Surgery (2022) 17:51
<https://doi.org/10.1186/s13017-022-00452-w>

Following publication of the original article [1], the co-author “Nikolaos Pararas” has misspelled wrongly as “Nikolaos Parasas”.

The original article has been corrected.

Ready to submit your research? Choose BMC and benefit from:

- fast, convenient online submission
- thorough peer review by experienced researchers in your field
- rapid publication on acceptance
- support for research data, including large and complex data types
- gold Open Access which fosters wider collaboration and increased citations
- maximum visibility for your research: over 100M website views per year

At BMC, research is always in progress.
