

Dear editor,

During the revision phase, we decided to include an additional author, "Jiayi Wang," to our manuscript. We believe that their contributions to the research are valuable and deserve appropriate acknowledgment.

Below are the details of the article:

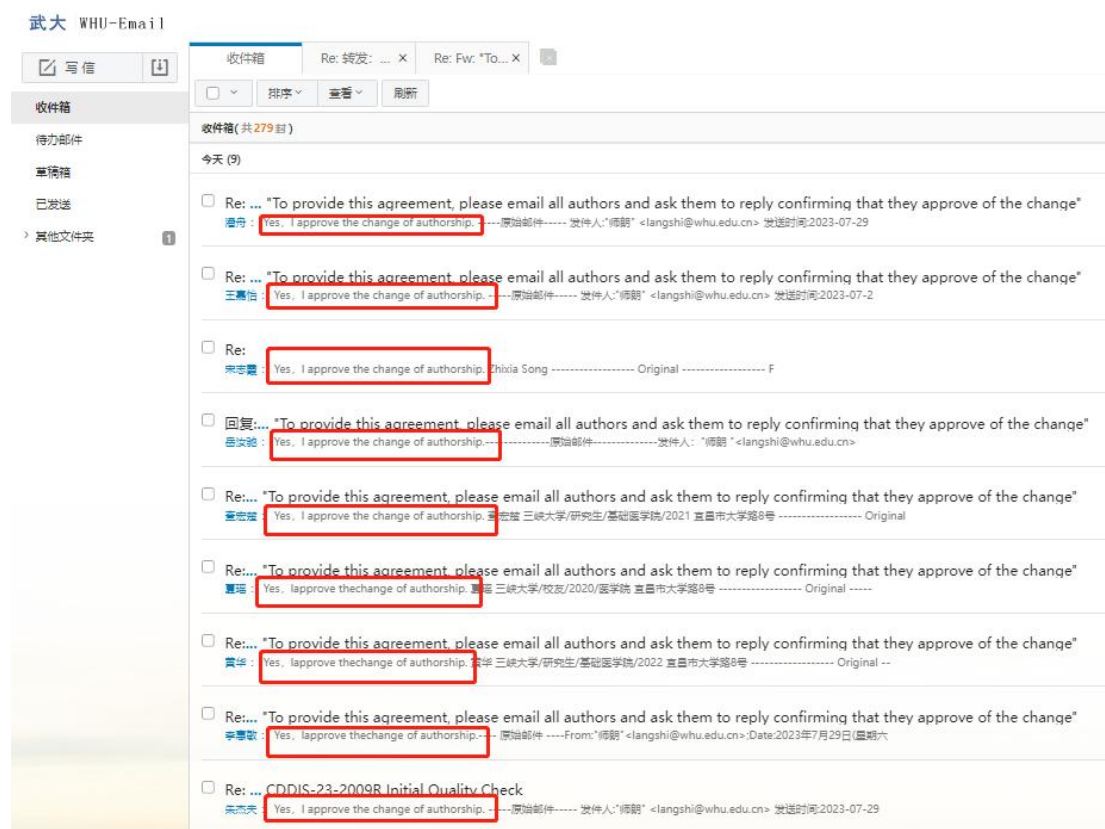

Title: DUSP1 protects against ischemic acute kidney injury through stabilizing mtDNA via interaction with JNK

Authors: [Lang Shi<sup>#</sup>, Hongchu Zha<sup>#</sup>, Zhou Pan, Jiayi Wang, Yao Xia, Huimin Li, Hua Huang, Ruchi Yue, Zhixia Song, Jiefu Zhu\* (please include Jiayi Wang)]

yijia wang , Department of Anesthesiology, The Second Xiangya Hospital, Central South University, Changsha, China , Email:168202068@csu.edu.cn

\*Corresponding Author: Jiefu Zhu

<sup>#</sup> Lang Shi and Hongchu Zha contributed equally.
