Correction to: *Nature Medicine* <https://doi.org/10.1038/s41591-020-0860-1>, published online 11 May 2020.

In the version of this article initially published, three accession numbers (EGAS00001004229, EGAS00001004386 and EGAS00001004387) were missing from the Data Availability Statement in the HTML. The correct statement is as follows: “Raw data analyzed in this study have been submitted to the European Genome-Phenome Archive with accession numbers [EGAS00001004008](https://doi.org/10.1038/s41591-020-0860-1), [EGAS00001004229](https://doi.org/10.1038/s41591-020-0860-1), [EGAS00001004230](https://doi.org/10.1038/s41591-020-0860-1), [EGAS00001004386](https://doi.org/10.1038/s41591-020-0860-1) and [EGAS00001004387](https://doi.org/10.1038/s41591-020-0860-1).” The error has been corrected in the HTML version of the article. Also, the original Reporting Summary file has been replaced with a revised file that includes these accession numbers.

Correction to: *Nature Medicine* <https://doi.org/10.1038/s41591-020-1004-3>, published online 27 July 2020.

In the version of this article initially published, an author (“Sasha Tabachnikova”) was incorrectly listed in the Mount Sinai COVID-19 Biobank Team list but should be in the initial author list (as ‘Alexandra Tabachnikova’), and another author (Anthony Mendoza) was omitted from the initial author list. The corrected initial author list for the inclusion of these authors is as follows: “...Gurpawan Kang¹, Anthony Mendoza¹, Lora E. Liharska¹,...Steven T. Chen¹, Alexandra Tabachnikova¹, Jonathan Chung¹,...”. A third author (Alara Akyatan) was omitted from the Mount Sinai COVID-19 Biobank Team list. That corrected author list for the inclusion of this author is as follows: “...Priyal Agrawal¹, Alara Akyatan¹, Kasey Alesso-Carra¹,...”. The errors have been corrected in the HTML and PDF versions of the article.
