**Fig. 3** Respondents' preferences for a treatment improving joint versus skin symptoms

- A** Oral tablet (pill) that you take *once* a day
- B** Oral tablet (pill) that you take *twice* a day
- C** An injection once every two weeks
- D** An injection once a month
- E** I do not have a preference
- F** I would not select the medicine if these were my choices

**Fig. 4** Respondents’ preferences for mode and frequency of treatment administration
