

Retraction statement: RGB and HSV quantitative analysis of autofluorescence bronchoscopy used for characterization and identification of bronchopulmonary cancer

The above article from *Cancer Medicine*, published online on 5 October 2016 on Wiley Online Library (wileyonlinelibrary.com) and in Volume 5, pp. 3023–3030, has been retracted by agreement between the Authors, the journal Editor-in-Chief and John Wiley & Sons Ltd. The retraction has been agreed due to major overlap with a previously published article.
