Correction to: Internal and Emergency Medicine

<https://doi.org/10.1007/s11739-023-03203-0>

In the original article under the section NAFLD and metabolic dysfunctions the word "painful" was incorrectly written as "painless".

Also, the small grammatical error "are" changed to "is" under the section Conclusions and future perspectives.

The original article has been corrected.
