

CORRECTION

Correction: Genotype-by-environment interactions affecting heterosis in maize

Zhi Li, Lisa Coffey, Jacob Garfin, Nathan D. Miller, Michael R. White, Edgar P. Spalding, Natalia de Leon, Shawn M. Kaeppler, Patrick S. Schnable, Nathan M. Springer, Candice N. Hirsch

There is an error in the presentation of the data in [S3 Table](#) that caused the phenotypic data for the ear morphology traits to not be matched to the correct plots in the table. All files used for data analyses were correct. Please see the correct [S3 Table](#) here.

Supporting information

S3 Table. Raw phenotypic data for 25 traits measured on 11 inbreds and 47 hybrids at 16 environments.
