# Erratum: Lessons from sexual and reproductive health voucher program design and function: a comprehensive review

Corinne Grainger<sup>1</sup>, Anna Gorter<sup>2</sup>, Jerry Okal<sup>3\*</sup> and Ben Bellows<sup>3</sup>

In the final version of our article entitled, "Lessons from sexual and reproductive health voucher program design and function: a comprehensive review" the authors inadvertently failed to acknowledge the role of International Union of Scientific Study of Population (IUSSP). IUSSP colleagues kindly reviewed early drafts of the manuscript presented at an IUSSP workshop in Bangkok August 2012 and had specifically requested that we recognize their feedback. We therefore feel obliged to acknowledge IUSSP.

#### Acknowledgements

The authors gratefully acknowledge comments and suggestions on the working paper from participants at the 2012 Bangkok seminar "Increasing Use of Reproductive Health Services through Community-based and Health Care Financing Programmes: Impact and Sustainability", organized by the International Union of Scientific Study of Population (IUSSP) Scientific Panel on Reproductive Health and the Institute for Population and Social Research, Mahidol University.
