## **ERRATUM**

## Erratum to "Enterococcus faecalis Colonizes and Forms Persistent Biofilm Microcolonies on Undamaged Endothelial Surfaces in a Rabbit Endovascular Infection Model"

Corresponding author: barnesa@umn.edu, kristi.frank@usuhs.edu

When this paper first published, it showed only Aaron M T Barnes as corresponding author. It should have shows both

Aaron M T Barnes and Kristi L Frank as co-corresponding authors. This has now been corrected online.
