

ERRATUM

Erratum to: Local anesthetics for the Nephrologist

Nupur N. Uppal, Mital Jhaveri, Susana Hong, Linda Shore-Lesserson,
Kenar D. Jhaveri and Hassan Izzedine 

Clinical Kidney Journal, 2021, sfab121, <https://doi.org/10.1093/ckj/sfab121>

In the original publication of this article, text was missing from a section's heading and the beginning of the first paragraph, p. 3. This should read:

LAs' PHARMACOKINETICS AND DOSING IN KIDNEY DISEASE

Both acute and/or chronic kidney insufficiency can alter the 4 phases of drug pharmacokinetics: absorption, distribution, metabolism and elimination.

Instead of

AND DOSING IN KIDNEY DISEASE

or chronic kidney/or chronic kidney insufficiency can alter the four phases of drug pharmacokinetics: absorption, distribution, metabolism and elimination.

These errors have now been corrected in the article.
