²Office for Infection Control, Asan Medical Center, Seoul, Korea

► This corrects the article “Rates of COVID-19 Infection Among Healthcare Workers in Designated COVID-19 Wards and General Wards” in volume 37, number 43, e308.

To the Editor:

The authors regret that there were errors in funding. This notice corrects typo-error in funding statement of published article.

Content of correction:

We have corrected the text in funding statement as follows.

“This study was supported by grants from the research fund donation for COVID-19 research to Asan Medical Center by Kyu-Kang Cho, the Korea Health Technology R&D Project through the Korea Health Industry Development Institute (KHIDI), which is funded by the National Institute of Infectious Diseases, National Institute of Health, Republic of Korea (grant No. HW22C2045).”

→ “This study was supported by grants from the research fund donation for COVID-19 research to Asan Medical Center by Kyu-Kang Cho, the Korea Health Technology R&D Project through the Korea Health Industry Development Institute (KHIDI), which is funded by the National Institute of Infectious Diseases, National Institute of Health, Republic of Korea (grant No. **HD22C2045**).”
