Türk Gogus Kalp Damar Cerrahisi Dergisi 2020;28(1):188-196

Doi of the original article: [10.5606/tgkdc.dergisi.2020.17279](http://dx.doi.org/doi: 10.5606/tgkdc.dergisi.2020.17279)

In the manuscript entitled “Evaluation of gene expression levels in the diagnosis of lung adenocarcinoma and malignant pleural mesothelioma” which was published in the first issue of 2020 of the journal (2020;28(1):188-196), the following statement for the funding of the study which was financially supported by the institutional Scientific Research Projects Coordination Unit was accidentally excluded:

Funding

The authors received no financial support for the research and/or authorship of this article.

The corrected version of this sentence is as follows:

Funding

This study received financial support from Dokuz Eylül University Faculty of Medicine (**BAP Project No: 2012.KB.SAG.004**).

This amendment was published in the Erratum upon the request of the authors.
