

ERRATUM:

A unique case of durable complete remission after salvage with azacitidine and DLI for high risk flt-3 positive acute myeloid leukemia, following relapse 18 months post allogeneic stem cell transplant

Claire Horgan, Alexandros Kanellopoulos, Shankara Paneesha, Bhuvan Kishore, Richard Lovell, *Emmanouil Nikolousis*

Hematology and Stem Cell Transplantation Department, Heart of England NHS Trust, Birmingham, UK

Due to an error, Dr. Nikolousis's last name was mistakenly spelled in this article (published in 2019 in *Hematology Reports* DOI: 10.4081/hr.2019.7800). The correct author's name appears above in italics.
