Correction to: Dermatol Ther (Heidelb)
<https://doi.org/10.1007/s13555-021-00549-1>

Authors would like to correct the errors in their publication.

1. On the Results and Discussion section, Description of HZ cases in patients with COVID-19, subsection Demographic and Co-Morbid conditions:

There were cases with known risk factors for HZ, which included age over 50 years of age (n=18),
The correct number is 19.

2. Change of references 4 and 27:

- **Correct reference 4 is:** Wang B, Guo S, Yao Y, Li Y, Zhang G (2020) Dermatologists may need to pay more attention to herpes zoster during the pandemic of COVID-19. *Infect Dis.* <https://doi.org/10.1080/23744235.2020.1797158>
- **Correct reference 27 is:** Dworkin RH, et al. *Clinical Infectious Diseases* 2007; 44:S1–26
