The original version of this article, published on 22 August 2020, unfortunately contained a mistake. The following correction has therefore been made in the original: The second equation in paragraph “VED calculation” was incorrect; the corrected equation is given below. The original article has been corrected.

$$(V1 \times \Delta Art\%1 + V2 \times \Delta Art\%2) / (V1 + V2) \times 100$$
