The authors have requested that the following changes be made to their paper [1].

The original authors wish to add Dr. Kelly J. Vining and Dr. Bernd Markus Lange as coauthors of this paper. The author contributions were: K.J.V. and B.M.L. contributed to this paper by providing the genome data of *M. longifolia*. The updated “Author Contributions” and “Funding” are provided below.

We would like to apologize for any inconvenience caused to the authors and readers by this mistake. The published version will be updated on the article webpage, with a reference to this notice.

**Author Contributions:** Methodology, X.Q., Z.C., Y.Z., Z.L., L.L. and X.Y.; data curation, X.Q., K.J.V., B.M.L., Z.C. and Y.B.; writing—original draft preparation, X.Q.; writing—review and editing, X.Q. and C.L.; supervision, C.L. and W.L.; project administration, C.L.; funding acquisition, C.L. and H.F. All authors have read and agreed to the published version of the manuscript.

**Funding:** This research was funded by the National Natural Science Foundation of China (31970353) and Fund of Jiangsu Key Laboratory for the Research and Utilization of Plant Resources (JSP-KLB201838). Work in the Lange laboratory was supported by the Division of Chemical Sciences, Geosciences, and Biosciences, Office of Basic Energy Sciences, and US Department of Energy (grant no. DE-SC0001553).
