Correction to: Economic burden of multiple sclerosis in a population with low physical disability

José M. García-Domínguez¹, Jorge Maurino^{2*}, María L. Martínez-Ginés¹, Olga Carmona³, Ana B. Caminero⁴, Nicolás Medrano², Elena Ruíz-Beato⁵ and for the W-IMPACT Clinical Investigators

Correction to: *BMC Public Health*

<https://doi.org/10.1186/s12889-019-6907-x>

It has been highlighted that the original article [1] contained a mistake in the 'Results' section, specifically in the percentages of female subjects and those with diagnosis of RRMS. Please note that this mistake has only been present in the 'Results' section, the Abstract and Table 1 remain unchanged. This article shows the incorrect and correct version of the percentages.

Incorrect:

Subjects were predominantly female (60.2%), with a diagnosis of RRMS (86.1%) and a mean age of 43.9 ± 10.5 years.

Correct:

Subjects were predominantly female (60.8%), with a diagnosis of RRMS (86.4%) and a mean age of 43.9 ± 10.5 years.
