Nucl. Acids Res. (2011) 39 (14): 6249–6259. doi: 10.1093/nar/gkr176

The authors wish to draw the attention to an error in their published article. The authors studied the Trm112 mutant Y120D instead of Y120E, wrongly indicated in Table 1 and in the text because of a typo error.

Throughout this article, the mutant Y120E should therefore be replaced by Y120D.

The findings and conclusion of the article remain valid.

The authors apologise to readers for this error and any inconvenience caused.
