In the original publication of this manuscript, [Shen Z, Xiao Y, Wentai M et al. Genomic Diversity of Severe Acute Respiratory Syndrome–Coronavirus 2 in Patients With Coronavirus Disease 2019. *Clin Infect Dis*; 71(15): 713-720. <https://doi.org/10.1093/cid/ciaa203>], the reported dates for sample collection were unclear, reading:

“Eight COVID-19 pneumonia samples were collected from hospitals in Wuhan on January 2020”

This has been updated to read:

“Eight COVID-19 pneumonia samples were collected from hospitals in Wuhan on December 30, 2019 through January 1, 2020”

The authors regret this error, and this has been corrected in the version currently available online. A revised supplementary table has also been provided and is listed with the article.

# Corrigendum to: Birth Cohort Studies Assessing Norovirus Infection and Immunity in Young Children: A Review

Jennifer L. Cannon,<sup>1</sup> Benjamin A. Lopman,<sup>2,3</sup> Daniel C. Payne,<sup>3</sup> and Jan Vinjé<sup>3</sup>

<sup>1</sup>CDC Foundation, <sup>2</sup>Rollins School of Public Health, Emory University, and <sup>3</sup>Division of Viral Diseases, National Center for Immunization and Respiratory Diseases, Centers for Disease Control and Prevention, Atlanta, Georgia, USA

In the originally published version of this manuscript [Cannon LJ, Lopman BA, Payne DC, et al. Birth Cohort Studies Assessing Norovirus Infection and Immunity in Young Children: A Review. *Clin Infect Dis*;69(2):357–365. <https://doi.org/10.1093/cid/ciy985>], the NIH grant R01AI125842 was missing from the funding section of the article. These details have been corrected only in this corrigendum to preserve the published version of record, and the author regrets this error.
