Retraction Note: Predicting new molecular targets for rhein using network pharmacology

Aihua Zhang^{1,2}, Hui Sun^{1,2}, Bo Yang^{1,2} and Xijun Wang^{1,2*}

Retraction

The Editors regretfully retract the article [1] as we believe the peer-review process was compromised and inappropriately influenced by the authors. Following further post-publication peer review the Editors no longer have confidence in the soundness of the findings. We apologise to all affected parties for the inconvenience caused.
