In the article titled “Epstein-Barr Virus-Induced Gene 3 (EBI3) Blocking Leads to Induce Antitumor Cytotoxic T Lymphocyte Response and Suppress Tumor Growth in Colorectal Cancer by Bidirectional Reciprocal-Regulation STAT3 Signaling Pathway” [1], there were errors in the title, Introduction, Materials and Methods, and the legend of Figure 2, which should be corrected as follows:

The title should be corrected to “Epstein-Barr Virus-Induced Gene 3 (EBI3) Blocking Leads to Induction of Antitumor Cytotoxic T Lymphocyte Response and Suppression of Tumor Growth in Colorectal Cancer by Bidirectional Reciprocal-Regulation STAT3 Signaling Pathway.”

In the last sentence of the Introduction, “suppress” should be corrected to “promote.”

In the Materials and Methods, in Section 2.3 “Balb/c” should be corrected to “BALB/c,” in Section 2.4 “Balb/c” should be corrected to “BALB/c” and “RPMI1640” should be corrected to “RPMI 1640,” and in Section 2.9 “1x PBS” should be corrected to “1 × PBS.”

In the legend of Figure 2 “Balb/c” should be corrected to “BALB/c” and “RPMI1640” to “RPMI 1640.”
