Correction to: *Nature Communications* <https://doi.org/10.1038/s41467-018-03554-9>, published online 17 April 2018

In the original version of this Article, Supplementary Table 10 contained incorrect primer sequences for the mobility shift assay for SNP rs4776984. These errors have now been fixed and the corrected version of the Supplementary Information PDF is available to download from the HTML version of the Article.
